RULES & REGULATIONS

- All anglers must have a valid Florida fishing license.
- Payout based on paid boat field. If boat field is not met, prize structure will be based on 100% paid boat entries.
- Entry Fees: Boat division \$200 (\$175 early registration through Jan 31), Kayak division \$100 (\$75 early registration through Jan 31)
- Registration closes at 6:00pm on Friday, April 14, 2023.
- This is a live and artificial bait tournament.
- Captain's meeting and raffle giveaways will be hosted at 6:30pm at St. Augustine Fish House and Oyster Company at 160 Nix Boat Yard Rd, St. Augustine, FL 32084 on Friday, April 14, 2023
- Captain's meeting is mandatory for one of the team's anglers. Lines in at safe light which will be announced at captain's meeting. This is a boat tournament only. You cannot leave the boat under any circumstances.
- NO fish may be weighed in that are caught on government property that required specific personal identification. This will be enforced under protest.
- In lieu of a tie, we will go with the time the boats or angler weighed in for all divisions.
- All protests are \$300. If a protest is not upheld, protest fee is non-refundable. Polygraph upon protest only.
- **Must be in weigh-in line and registered by 3:00pm.**
- **Weigh in site: Northeast Florida Marlin Club at Comanche Cove 3030 Harbor Dr, St. Augustine, FL**
- Award ceremonies will be at weight in site Saturday, April 15 at 4:00pm.
- **KAYAK DIVISION:** One angler per kayak only. One slot size redfish. Fish does not need to be alive. 1st through 3rd place will be determined by 1 legal fish being weighed per kayak angler by time of weigh in. You may only bring 1 fish to the scales.
- **BOAT DIVISION:** Two adult member boat teams (with option to add up to two junior anglers, for a total of 4 anglers). This is a two fish aggregate tournament, meaning fish must be live at weigh-in. Fish must meet Florida state required size limits (18" - 27"). Fish will be measured using slight tail pinch method. NO fish with mutilated tails will be accepted for weigh-in. If this happens it will be determined by the tournament directors. Fish can be inspected internally to confirm weight at tournament directors' discretion. If 2 fish bag aggregate has any dead fish there will be a 1 lb reduction per each dead fish. 1st through 3rd place will be determined by total aggregate weight of 2 fish at the time the fish bag is weighed in. You may only bring 2 fish to the scales.
- **JUNIOR ANGLER DIVISION:** Up to two Jr Anglers may participate in a paid boat division registration. Jr. Anglers must pre-register with their boat division in one of three Jr Angler divisions: Age 5-11, Age 12-16, or Powder Puff Age 6-16. They can only win in the division they pre-register for in advance. Jr anglers must possess their own redfish to weigh in. Winner determined by the heaviest slot size red fish (can't be one of the 2 bag fish aggregates for their boat). Only one legal red fish per entry.
