HADASSAH'S HOPE

21 DAYS OF prayer & fasting

Thank you for joining us on this journey of prayer and fasting for 21 days. We believe that spiritual warfare is real, and the Word of God + prayer are two of the most powerful tools we have in the battle.

Our ministry, Hadassah's Hope, was inspired by the Jewish name of Queen Esther. Prompted by the declaration that she must use her position to do something about the threat facing the entire Jewish community, she was reminded that perhaps she was in the position she was in FOR SUCH A TIME AS THIS. As she was preparing to take a dangerous and unthinkable step toward rescuing and saving the Israelites, she implored people to fast with her.

Each of us is also in a unique place and position, ordained by God, for such a time as this. As we seek to go into arguably the darkest places in Jacksonville, we invite you to partner with us in praying and fasting for 21 days.

There are no rules to follow, simply seek the prompting of the Holy Spirit about what you might fast during these 21 days. Some ideas could include fasting from caffeine, soda, sweets, alcohol, meat, social media, or anything else that might elicit a response to seek God when you are presented with these things. You might even want to decide to do a liquid fast one day a week for these 21 days. It really is up to you.

The remainder of this guide includes prayer prompts for each of the 21 days related to sexual exploitation and the mission of Hadassah's Hope. As tempting as it might be, don't rush through the prayers each day. Spend time in silence listening to God and the nudge of the Holy Spirit. Meditate on your prayers. Journal your prayers and/or the ways you feel God is speaking to you each day.

If you are planning to join us, we would love to hear from you so we can pray for you. Send us an email to contact@hhjax.com and put "21 days of prayer and fasting" in the subject. Our team will be honored to pray for you.
