## why we go

Our vision is to see women in the adult entertainment industry know that they are **loved** by the Creator of the universe and were **made in His image**. We believe the Lord has called us to minister to the hearts and lives of women in the sex industry. We want them to know that there is **HOPE** in Jesus and that He has a **purpose** for their future.

### DID YOU KNOW?

*85% of dancers want out but feel stuck.*

*For most dancers, poverty, abuse, abandonment, or manipulation brought them to the clubs.*

*95% of women in strip clubs were sexually abused.*

*Over 500 women work in 15 strip clubs in Jacksonville.*

## what we do

### OUTREACH

We **visit 12+ strip clubs** in Jacksonville 2-4 times a month for an hour each visit. We don't go with any agenda but simply to serve the dancers and let them know they are seen, valued, and loved.

We have a team of nearly 500 volunteers. Outreach teams visit the clubs, security teams man the parking lot, cooking & gift teams make homemade meals and assemble gifts for the dancers, prayer teams pray for the ministry and outreach.

### RESOURCE CENTER

As we build relationships, we meet with dancers outside of the clubs and invite them to visit our **Hope House**.

The Hope House is open 3 days a week for drop-in visits. The women can come for community, lunch, resources, case management or even to just hang out and do their laundry.

### SKILLS DEVELOPMENT PROGRAM

Three times a year we offer a **12-week paid internship** called the **Transformation Program**. This internship is for women who have worked in the industry that are interested in seriously pursuing life goals and a healthy lifestyle. The interns receive weekly counseling, case management, lunch, Bible study, and life/vocational skills training.
